TO : Berhane DERESSA - RRC Deputy Commissioner
Addis Ababa.

Dear Sir,

I'm enclosing for your information a short report written in French by our team in Sekota. They mentioned that one of our nurse, Françoise LEDUC, got hit by one of the militiamen while she was doing a screening in order to recover children from the MSF Feeding Center who were parked in the old church for the resettlement preselection.

Sincerely yours,

Bertrand Desmoulins
