Addis Ababa, 4th of December, 1985

TO : Mr Priestley
Assistant Secretary General
United Nations

Dear Sir,

RRC has officially stopped our activities on December the 2nd, 1985. We shall be leaving soon Ethiopia. I am still concerned about the drought affected people, we have been taking care of, these last months. We have medical programmes in Korem shelter and in Kobo distribution center, and medical and nutritional programmes in Sekota and Kelela.

I want to inform you to make sure that these programmes will be undertaken as mentioned on the dismissal letter, by the health division of the Relief Department or any other medical agencies.

Sincerely yours,

Bertrand Desmoulin
